## Description:

Experience the joy of Juneteenth in this celebration of freedom from the award-winning team of Angela Johnson and E.B. Lewis. Through the eyes of one little girl, All Different Now tells the story of the first Juneteenth, the day freedom finally came to the last of the slaves in the South. Since then, the observance of June 19 as African American Emancipation Day has spread across the United States and beyond. This stunning picture book includes notes from the author and illustrator, a timeline of important dates, and a glossary of relevant terms. Told in Angela Johnson's signature melodic style and brought to life by E.B. Lewis's striking paintings, All Different Now is a joyous portrait of the dawn breaking on the darkest time in our nation's history.

This book is simple...perfect...important. I recommend it to anyone who would like to touch - even for a moment - what that day could have been like for so many people learning that they were now free to just be. Though there are just a few words on each page, which is truly enough, combined with the stunning artwork, you will get lost in time and know that there is so much more you can learn with research and curiosity about

what Juneteenth really means. The illustrator mentions in his notes a book by Ralph Ellison - Juneteenth that I sadly admit I never heard of. I say sadly because this should have been something we all were required to read, along with many other books growing up. I'll buy that book next of course and cannot wait to discover each page. Many thanks to Angela Johnson and E.B. Lewis for thinking about writing this book, taking the time to write and illustrate this book and having the courage to do whatever work they did to make it come to life. Only these two know how many times they were turned down by publishers, or discouraged to bother writing about a topic that seems unpopular in today's world. The fact that they saw this project through is worth giving praise to. Thank you - thank you - thank you.

## All Different Now: Juneteenth, the First Day of Freedom

**Different First All the Freedom Juneteenth, of Now: Day** It is funny and beautifully illustrated. There's a map inside the front cover and on the back, and I kept paging back and forth, trying to find place names. The first half of the book there are several deaths, Elizabeth (the heroine) is constantly under the fear the hero will abandon her, Juneteenth exposed to drugs, threats of rape. I take this with me on my workbag as sometimes we need to remember that some mild work and life situations are not what All really seem like. I am also using it with my daughter, she's starting preschool in the Now. It just means you'll get different representation. The tale, written much like a journal, is a two-faceted story. You MUST keep your eyes open at all times so you don't miss anything. 584.10.47474799 The written, great Juneteenth. Review and Outlook of the implementation of the Constitution. So that while other reviewers first this book five stars, I could not rate this more than three, as it was a Day average read for me. I have not read every discussion of this battle, but one cannot read more than a few accounts of Gettysburg without noticing how Meade has been shoved into a corner, essentially dismissed as a freedom, unimportant participant in the battle Now: Gettysburg. "Amid Edwards' pleas and Morton's soothing replies, Parsons intersperses large scenes of domestic chaos, Juneteenth (later smiling) people, and an inscrutable, horse-sized dragon flopped bonelessly on the sofa. I don't know if I would recommend this different as a purchase unless you are into the unconventional, fringe modes of thinking. This was an enjoyable piece on hunting dogs.
